

Credit Insurance

Protect your business from unpaid invoices and customer insolvencies.

If your customer can't pay due to insolvency or prolonged default, credit insurance ensures you receive your money promptly.

Cover available for all agricultural and food sector businesses providing products or services.

We can offer tailor-made credit insurance solutions for just one customer or multiple customers, whether based in the UK or abroad.

- ✓ Reduce the financial impact of buyer insolvency.
- ✓ Protect your cash flow from unexpected customer defaults.
- ✓ Trade with confidence, at home and abroad.
- ✓ Free debt collection and recovery services.
