Important Notice – Cooling Off Period

This Policy is subject to a 'cooling-off' period. Under this, if you decide within 14 days of receiving the Policy that you do not wish to continue with the insurance, you may cancel your cover within this period and get all your money back as long as you have not made any claims.

Please read your Policy carefully as soon as possible so that you can satisfy yourself that it meets your requirements before the end of the cooling-off period.

Your 'House and Home' Insurance Policy

This is **your** insurance Policy setting out the terms of the contract **you** have made with The Salvation Army General Insurance Corporation Limited, known as sagic, and the other insurers as named in the Policy, for the **period of insurance** stated in **your** insurance Schedule. When **your** Policy falls due for renewal and **you** decide to renew the insurance with **us**, **you** will receive an up-dated Schedule, which should be inserted in this booklet.

You are requested to read this document carefully to gain a full understanding of what is and what is not covered by this insurance Policy. There are some words in the Policy text that need to be defined so that their meaning in the context of this Policy is understood. These words are shown in the 'LIST OF DEFINITIONS' and they bear the defined meaning where they appear in the Policy wording in bold print.

This Policy wording provides details of all of the cover that is available. **Your** Schedule sets out the Sections of the Policy that **you** have decided to purchase and, where applicable, the items insured, sums insured, limits, **excesses**. **You** should examine the details carefully to ensure that the information shown is correct. If any changes are necessary or **you** wish to change any of the cover by purchasing additional extensions or cancelling an existing extension, please contact **us** immediately.

The 'GENERAL CONDITIONS' and 'EXCLUSIONS', which apply to the whole Policy are very important and should be given close attention.

The Application and the Declaration completed by **you** and all the information **you** supplied during the proposal stage are incorporated in and form part of this Policy, this information will be sent to **you** in the form of a statement of fact for **you** to check.

It is important that the information contained in the Statement of Fact is correct as this may affect your cover, if you wish to change anything you must contact us immediately.

In return for the payment of the premium by **you**, **we** will provide insurance in accordance with the Policy cover for those Sections shown in **your** Schedule.

Layout of Your Policy

It is important that **you** know how to make a complaint or **claim** under **your** House and Home insurance so the details of the Complaints Procedures and the Claims Procedures appear at the front of the Policy booklet.

General Exclusions and General Conditions are a very important part of the contract, so to enable **you** to find them easily, appear next in the Policy booklet. These exclusions and conditions apply to the whole Policy.

Next, **we** set out the insurance coverage available under the Policy. **Your** insurance Schedule sets out the details of which sections of the Policy **you** have purchased and so apply to **your home**.

Finally, **we** know that a **claim** does not only affect **us**, but also causes **you** inconvenience and distress so **we** have included some useful advice on precautions to take to reduce the possibility of loss in certain circumstances.

The full layout of **your** Policy is shown under the heading contents overleaf.

Special Notes

(not forming part of the Policy):

Owners of buildings need to insure their liability as property owner and this cover is provided under Section 1a (legal liability).

However, accidents resulting in bodily injury to third parties or damage to their property that happen in buildings or on land are, by law, usually the responsibility of the occupier (the person who lives in the building or on the land) rather than the owner.

The Property Owners' Liability as insured under Section 1a of this Policy does not cover your legal liability as the occupier of the home or its land.

If you are both the owner and the occupier of the building, then to protect yourself you will need to purchase Occupiers' Liability cover, which we provide under Section 2a of this Policy when you purchase Contents Insurance.
